A 1590 Highway 55, Hastings MN 55033

F 651-438-4469

O 651-438-4200

Date: March 17, 2021
From: Scott Lyons, County Assessor
Subject: Street Level Imagery Capture

Assessing Services has contracted with CycloMedia Technology Inc. to update existing street-level imagery of all real estate in the county. This high-level resolution imagery allows Assessing Services to meet Department of Revenue requirements and is necessary to sustain the quality of our work using desktop viewing of real estate. Imagery will be captured from custom vehicles clearly marked with the CycloMedia logo.

The project will require up to three vehicles to capture during daylight hours up to seven days a week. The vehicles capture the imagery while moving and therefore will not impede traffic, and images are taken from public right-of-way. The project will begin on Mar. 22 and will continue for approximately 8 weeks. Information concerning this project will be provided to city and police agencies.

For more information, please contact Dakota County Assessing Services at 651-438-4200 or assessing.services@co.dakota.mn.us

Thank You,

Scott Lyons
