Office of the Minnesota Secretary of State REGISTERED VOTER LIST REQUEST

Instructions

Use this form to request a list of registered voters. For multiple orders, submit a new form for each list. Lists are provided in a ready-to-print pdf format, or in a comma-delimited text format which can be opened in most spreadsheet and database programs. Examples of these formats are available on the [Secretary of State's website](https://www.sos.state.mn.us) (https://www.sos.state.mn.us). This office may take up to 10 days to produce the report. The report will be current as of the time the report is run. The use of the list of registered voters for purposes unrelated to elections, political activities or law enforcement is a violation of Minnesota law. ([Minn. Statutes 201.091](#))

Registered Voter List Ordering Information

Registered voter information is only available to registered Minnesota voters, and may only be used for purposes related to elections, political activities, or law enforcement. ([Minnesota Statutes 201.091](#)) All data on registered voter reports is current as of the time the report was run. Only currently registered voters are included in the report. Voting history may not be updated for up to six weeks after an election.

Geographic Area

Reports can be requested for different geographic areas such as statewide, county, city, town, or precinct. Reports can also be requested by election district, such as congressional district, state senate district, state house district, judicial district, school district, city ward, or precinct.

Note that statewide reports may only be ordered in text format below. These reports will be divided into separate files for each congressional district.

Report Format

Reports are available in pdf format, text format, or sometimes both. Pdf reports come ready to print, but cannot be edited, sorted or filtered. Text files come in a comma-delimited format, ready to import into spreadsheet or database software. In that software, the data can be edited, sorted, and filtered, and also used in other ways, such as for mail merges. This office does NOT offer support for using this data with specific software application.

Report Information

Report	Voter Name	Address	Phone	Birth Year	Voter ID	Legacy ID	Registration Date	County	MCD	Precinct Code	School District Code	Other District Codes	Voting History

Additional report notes:

- Walking Lists are sorted by street name, then street number
- Walking list and summary history reports include abbreviated election description for each year.
- Detailed history reports include two files: one is a list of voters, the second is a list of elections the voters have history of voting in. The Voter ID can be used as a primary key to cross-reference the records in the two files.
- Detailed history reports' elections files include election date, election description, and voting method.
- Mailing label pdf reports are formatted to print on Avery 5160 (or similar) label sheets.
- Household mailing labels include one label per address with at least one registered voter. All labels are addressed to "Registered Voters."
