

2026 Pavement Management Initiative (North Blackberry Trail, Brent Ave, Bristol Path)

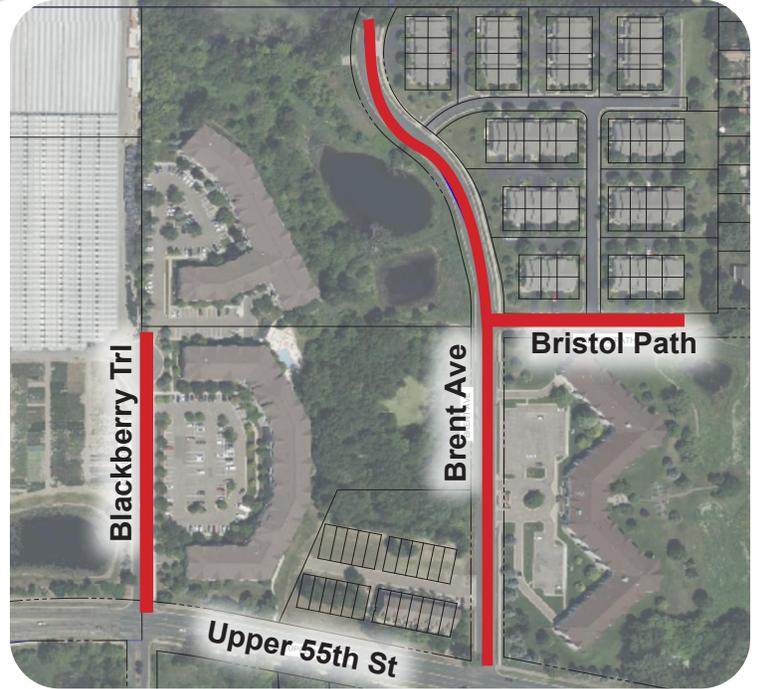

(Project 2026-09J)

City of Inver Grove Heights

The City of Inver Grove Heights is planning for street improvements in your neighborhood in 2026. Final design of the improvements will take place this summer and fall (2025).

You may see survey crews, like the photo above, or other field staff gathering additional data this summer.
