PAYMENT OF ASSESSMENT

Once the special assessments are levied and adopted, the special assessments will be certified to the Dakota County Auditor to be extended on the property tax lists for collection with real estate taxes. Prior to this certification, the property owner may prepay the entire amount of the special assessment without any interest thereon provided the prepayment is received within 30 days after levy and adoption of the special assessments by the City Council (or at such later date determined by the City Council). If the property owner wishes to prepay the assessment without interest, then such payment must be made by check, cash, or digital payment (credit/debit card or ACH) to the City of Inver Grove Heights, 8150 Barbara Avenue, Inver Grove Heights, MN 55077. Specific payment method information will be provided with the invoice for the final special assessment amount following the Assessment Hearing. *The City does not allow for the partial prepayment of special assessments.*

After the 30-day period, you may at any time thereafter pay the Dakota County Treasurer the entire amount of the assessment remaining unpaid, with interest accrued to December 31st of the year in which such payment is made. Such payment must be made before November 15th, or interest will be charged through December 31st of the succeeding year.

If you decide not to pre-pay the assessment before the dates given above, the balance will automatically be added to your real estate taxes and repaid in yearly installments based on the following payment schedule per the City's Special Assessment Policy:

Final Assessment Amount	Payment Period	Annual Interest Rate
\$0.00 - \$999.99	1 Year	4.106%
\$1,000 - \$4,999.99	5 Years	4.228%
\$5,000 - \$9,999.99	10 Years	5.011%
\$10,000 and over	15 Years	5.646%

Interest on the entire special assessment, from the date of levy (or at such later date determined by the City Council) to December 31st of the year in which the first installment is payable, is added to the first principal installment. The first installment will be due and payable in 2026.

NEXT STEPS IN THE PROCESS

Upon levying the assessments, the City will mail the owner a notice re-stating the amount of the adopted assessments for each lot, piece, or parcel of land. This notice will also include any changes in the interest rate or prepayment requirements if approved by the City Council from those contained in this Notice of Hearing, as well as re-stating the payment methods shared above.
