Dear Applicant:

As outlined in the Planning Application Form, the City of Inver Grove Heights requires a cash escrow deposit to cover all costs directly related to processing your application. These costs include City staff time, administrative costs, and costs for any consultants essential to complete the application's review.

The City makes every effort to minimize the cost of reviewing your application. To be most effective at this, it is important that you submit complete documents, plans, and designs. Incomplete submittals typically result in increased review time and may require more of the City's consultants to become involved in the review. For example, if the City Attorney is required to draft legal documents that your attorney could draft, your escrow account would have to cover the City Attorney's time.

If your escrow deposit is depleted before the application is concluded, you will be required to make an additional deposit. In all cases, any negative balance in your escrow account will need to be paid prior to releasing City approvals of your application. Excess escrow will be refunded to you after final action is taken by the City Council and all billings are posted to your account.

Please contact the City Planner at 651-450-2554 if there are unanswered questions or you are unsure how to proceed.

Sincerely,

CITY OF INVER GROVE HEIGHTS
