### **WAIVER OF PLAT**

(City Code Section 11-1-6)

The waiver of platting procedure may be utilized when the proposed property subdivision will result in the creation of no more than two parcels from one parcel currently under single ownership, and where all of the following criteria are met:

- The requested property division does not cause the need for the dedication of public right-of-way or other easements.
- The subject property does not lie adjacent to a public roadway shown on a City, County and/or State thoroughfare Plan for which right-of-way dedication will be requested.
- The subject property does not lie adjacent to an existing public right-of-way for which an additional right-of-way dedication will be requested.

Property divisions that do not meet all of the above criteria shall be platted through the subdivision platting procedure outlined in City Code Title 11, Chapter 2.
