

City Code 5-6-1D3: To facilitate inquiries with respect to which parcels of land are not available for hunting or target practice because the owners thereof decline to grant permission for such activities, the clerk shall maintain a list by owner name and address for such nonavailable parcels. In order for the owner name and parcel address to be placed on the list, the parcel owner must in writing notify the clerk that the owner wishes to be on the list and has decided not to grant permission for hunting or target practice. The name of the owner and the parcel address shall be removed from the list if the owner files a written request with the clerk to remove the owner name and parcel address. The creation of the list is a voluntary program. There is no requirement that an owner and parcel be on the list in order for the owner to decline permission to anyone for hunting or target practice. The purpose of the list is to present an opportunity for an owner to make known that the owner has decided not to grant permission with the result that contacts with the owner are reduced or eliminated.
